

# Diesel / Fuel water & solid removal systems

Remove  
water from  
your fuel !

## High performance water removal

Part No	Description
VF-31E	Filter housing 1" NPT inlet/outlet 10 bar max working pressure, 60 l/min flow
<b>Replacement Cartridge</b>	
AD-21025	Cartridge: Aquacon, Ind, Diesel
ACA-210	Cartridge: Aquacon, Ind, Air

Part No	Description
VF-609	Filter housing 1" NPT inlet/outlet 10 bar max working pressure, 115 l/min flow
<b>Replacement Cartridge</b>	
AD-60925	Cartridge: Aquacon, Ind, Diesel
AH-511P8SP	Cartridge: Aquacon, Ind, Air

Part No	Description
VF-61	Filter housing 1" NPT inlet/outlet 10 bar max working pressure, 190 l/min flow
<b>Replacement Cartridge</b>	
AD-51225	Cartridge: Aquacon, Ind, Diesel
OS-51286	Coalescer Separator

Part No	Description
VF71E	Filter housing 3/4" inlet/outlet 10 bar max working pressure, 50 l/min flow
<b>Replacement Cartridge</b>	
AC-71801	Cartridge: Aquacon, Ind
AC-71805	Cartridge: Aquacon, Ind
SD-718	Cartridge: Superdri, Ind
SD-718P3	Cartridge: Superdri, Ind
LA-61801B	Clay industrial
LA-71801B	Clay industrial
LB-71801	Activ Alum, Industrial

Part No	Description
HYD25	Hydrokit diesel: Water in diesel detection kit (25 tests in a kit)
